Where's the best outdoor destination for your family once the weather breaks?

Grab your jackets, pack a picnic and discover over 109 acres of free family fun at Lisle Park District's Community Park! Whether your family has a nature lover, extreme sports enthusiast, athlete, fisherman or all of the above, Community Park is sure to keep everyone entertained. Featuring a lighted BMX friendly ramp park, tennis courts, fishing ponds, playgrounds, ball fields, soccer fields, bike paths, an award winning water park, picnic shelters and more, there's no better place to spend a sunny Saturday with your family.

The Lisle Park District is also proud to announce that we will be constructing DuPage County's first canoe and kayak launch on the East Branch of the DuPage River this summer. This unique feature, made possible by a generous donation from the Partners for Parks Foundation of Lisle, will allow families to paddle

the East Branch through Lisle to a public landing site at Knock Knolls in Naperville. Since we allow non-motorized United States Coast Guard approved watercrafts in all of our ponds, Community Park is the perfect place to practice canoeing and kayaking with your family!
